Board Meeting  
June 1, 2009

Present: Jane Price, Mary Menozi, Joe Berryman, Paul WSteele, David Gilstrap, Marilyn Harban, Jerry Davis, Gail Evans, Anna Quarles, Barbara Kreisher, Carlene, Gilstrap

Meeting was called to order at 7:00 pm at Oliver's.

Motion was passed to approve minutes as printed in bulletin.

Corresponding Secretary's report by Mary Menozi: We received a renewal request from Take the Lead Foundation. The Board decided to look at their site again and we will take this under advisement after another look at their site.

Treasurer's Report. Handed out by David Gilstrap

Bulletin Secretary's report by Marilyn Harban. We have been asked if we would accept business advertising to be published in our newsletter. The Board has decided that we could with all advertising being with the approval of the Board and with advertising of dog related products and services only. Rates would be \$15.00 for 6 months and \$25.00 per year for business card size ads. All ad's must be camera ready. Passed by general consensus of the Board.

Membership Committee Report by Jerry Davis. Suggestion that all future renewals must be accompanied by the membership form so the club will have updated addresses and e-mail address and be able to note any changing interest.

Publicity Committee Report by Mary Menozi. Mary has the resuscitation mask and will arrange publicity photo op when she returns from vacation.

Historian. It was suggested that we try to get something together before the show to have on display. Mary and her committee will try to get this together.

Show Report: Proof is back to be finalized.

Unfinished Business. Marilyn has followed up with Rita Farmer and there was some miscommunication about what she has done in the past and where she will be able to help the club.

There will be no Board Meeting or General Meeting in July.

There was discussion about the CKC being the "Go To" person for all dog related issues in the Chattanooga area. The Board discussed and unanimously decided that we could not accept that responsibility at this time due to the legal ramifications. Issues involving political decisions can be referred to the AKC. The Board would like to continue with the program of positive publicity that we are already doing.

There was no new business brought forward.

Meeting adjourned at 8:04 pm.

Respectfully submitted,  
Anna Quarles  
Recording Secretary

## General Meeting Minutes

June 9, 2009

Meeting call to order by President, Jane Price at 7:35 pm at Golden Corral Restaurant. There were 24 members present and 3 guest.

Program: We were scheduled to have a program presented by McKamey's Center and they called just before the meeting to let us know they would not be able to keep this appointment due to a raid by the police department in which several dogs were having to be transported and held at their facility. They will reschedule at a later date.

Recording Secretary: Board Meeting Minutes were read. There were no additions or corrections  
Treasurer's Report: was omitted. David is at the delegate's meeting and plans to be back for the next meeting.

Bulletin Secretary Report: Marilyn Harban announced the addition of ad's for the CKC Bulletin for businesses. All ad's must be viewed by the Board prior to insertion in the Bulletin. The club will continue to put announcements in the bulletin for members and will put in any ads for dog related items members have for sale at no charge. Ad's for business purposes will be priced at \$15.00 per 6 months for business card size ad or \$25.00 per year.

Committee for Education and Training: Check the bulletin and/or the web site for training class schedules and sites in Cleveland and Chattanooga.

Jane Price announced to the membership Thank you for the prayers and support from Phil and Nikki Burke during their sons recent hospitalization.

Membership Committee. Members voted to approve Philip Freeman and Chelsee Carvour for membership.

Jerry announced that the club will start requiring that renewal forms be filled out and turned in with dues each year. This will facilitate an up to date membership list with correct addresses, telephone numbers and e-mail information.

Show Committee: Carlene reported the proof has been returned for the premium list. Anna request anyone who has not paid for trophies, please do so.

Old Business: There was discussion about why the Board decided to pass up the opportunity to be the "go to" people for all dog related issues in the Chattanooga area. Each member can speak for themselves on any topic they wish to address in a public forum, but no member is authorized to speak for the CKC in regard to the Clubs stance on current problems and incidents making the local or national news. The Board has decided to continue it's present program of positive advertising with our donations to public programs and education events.

Ashley is currently on a committee whose goal is to open some of the dog restricted areas in Chattanooga and make Chattanooga a more dog friendly place. She will be looking to how the CKC might assist in this area and will report back to the membership.

Brag's!!!

Meeting was adjourned at 8:23 pm

Respectfully submitted,  
Anna Quarles, Recording Secretary
